Sir,

I am directed to acknowledge the receipt of your No. 89 R dt 13th Septr 1877 conveying the approval of His Honor the President in Council to the rules submitted with Mr letter dated No. 12966/186 dt 21st March last for the restoration of Inams unauthorized by alienated from the Religious or Charitable Institutions to which they were originally dedicated with the exception of Rule III, to which objection is taken on the ground, that when a land, dedicated for a Religious or Charitable purpose, is alienated, the alienee is no longer entitled to its enjoyment rent free, but that his

his rights should be con-
firmed subject to payment
of full assessment.

2. The concession proposed
by Rule III is, I am desired
to state, to be granted only
in those cases in which
the alienee is proved to have
been in possession and en-
joyment of the inam for
more than 50 years prior
to 1867, a period of enjoyment
which, even under the
Land Inam Rules now in
force, is deemed sufficient
to render the inam valid.

3. In the case of Service
inams all alienations made
prior to 1835 are also held
valid and confirmed to
the alienees.

4. Under Clause A of
the proposed Rule II (which
has been approved by Govt.)
inams alienated prior to
31st January 1853 but within
50 years computing the
period up to 14th December 1867,
are also allowed to be
con-

confirmed on ½ Quit Rent.

5. ~~It will thus be seen that~~ While the rights of alienees, who have been in enjoyment of their inams for a period less than 50 years, are recognized and confirmed on ½ Quit Rent, it would ~~be unfair and inequitable to place~~ seem to the Captain his an alienee who has been in possession for more than 50 years, in a more disadvantageous position, and to subject his inam to payment of full assessment.

6. I am, therefore, desired to solicit a reconsideration of the order communicated in para 2 of your letter under acknowledgment and to recommend the retention of Rule III without any modifications.
